Thank you for your interest in contributing to a project of Research Industrial Systems Engineering (RISE) Forschungs-, Entwicklungs- und Großprojektberatung GmbH ("RISE"). To clarify the intellectual property license granted with Contributions from any person or entity, RISE asks each Contributor to have a signed Contributor License Agreement ("CLA"), indicating agreement to the license terms below. This Agreement is for the protection of you as the Contributor and RISE and does not change your right to use Your own Contributions for any other purpose.

Please read this Document carefully before signing it and keep a copy for your records. You accept and agree to the following terms and conditions for Your Contributions (present and future) that You submit to RISE. Except for the license granted herein to RISE and recipients of software distributed by RISE, You reserve all right, title, and interest in and to Your Contributions.

1. Definitions

"You" (or "Your") does mean the copyright owner or legal entity authorized by the copyright owner that is making this Agreement with RISE. For legal entities, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered a single Contributor. For purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"Contribution" does mean any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to RISE for inclusion in, or documentation of, any of the products owned or managed by RISE (the "Work"). For purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to RISE or its representatives, including communication on electronic mailing lists, source code control systems, issue tracking systems that are managed by, or on behalf of, RISE for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution".

2. Grant of Copyright License

Subject to the terms and conditions of this Agreement, You hereby grant to RISE and to recipients of software distributed by RISE a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.

3. Grant of Patent License

Subject to the terms and conditions of this Agreement, You hereby grant to RISE and to recipients of software distributed by RISE a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this Section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution alone or by combination of Your Contribution with the Work to which such Contribution was submitted. If any entity institutes patent litigation against You or any other entity, including a cross-claim or counterclaim in a lawsuit, alleging that Your Contribution, or the Work to which You have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.

4. Representations

4.1 You represent that you are legally entitled to grant the above licenses. If your employer has rights to intellectual property that You create and that includes your Contributions, You represent that you have received permission to make Contributions on behalf of that employer, that your employer has waived such rights for your Contributions to RISE, or that your employer has executed a separate Corporate CLA with RISE.

4.2 You represent that each of your Contributions is your original creation, or that you otherwise have sufficient rights to submit the Contribution and grant the licenses in this Agreement (see section 4.5 for submissions on behalf of others). You further represent that any third-party licenses, restrictions, patents, trademarks, or other rights known to you and associated with any part of Your Contribution have been disclosed in reasonable detail at the time of submission.

4.3 Where a Contribution was generated, translated, summarized, completed, or otherwise assisted in whole or in part by generative AI, machine-learning systems, code-completion tools, or similar automated systems, you represent that you reviewed the Contribution with reasonable care, that you have the rights necessary to submit it and grant the licenses in this Agreement, that to the best of your knowledge its inclusion does not knowingly violate conflicting third-party license terms or usage restrictions, and that you remain fully responsible for the Contribution as if you created it without such tools.

4.4 You are not expected to provide support for Your Contributions, except to the extent You choose to provide support. Unless required by applicable law or agreed to in writing, You provide Your Contributions on an "AS IS" basis, without warranties or conditions of any kind, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.

4.5 Should you wish to submit work that is not Your original creation, You may submit it to RISE separately from any Contribution, identifying the complete details of its source and of any license or other restriction, including, but not limited to, related patents, trademarks, and license agreements, and conspicuously marking the work as submitted on behalf of a named third party.

You agree to notify RISE of any facts or circumstances of which You become aware that would make these representations inaccurate in any respect.
